### Xianghe FTIR Data License

1. Downloading and/or using the Xianghe data will indicate your acceptance to enter into this license agreement.
2. This license grants you a perpetual, royalty-free, non-exclusive and non-assignable license to use the data subject to the terms and restrictions set forth herein.
3. You have the right to modify and improve on the data and said modification or improvement will be proprietary to you. However, you should keep the authors informed of the modification and improvement to the data and hereby grant to use your modifications or improvements with proper acknowledgement to you as the source.
4. All other rights, including redistribution, display, and publishing adaptations are reserved.
5. At a minimum of 2 months prior to publication or presentation of works that include Xianghe FTIR CO<sub>2</sub>\_CH<sub>4</sub>\_CO data, you must contact the individuals listed on the DOI landing page via email and provide a description of the intended publication or presentation. If any of the partners makes a significant intellectual contribution to the research, or if Xianghe data is essential to the work, co-authorship of the Xianghe consortium would normally be expected. This should be discussed at an early stage in the work. If none of the Xianghe partners responds after 3 emails distributed over a 2-months period, the data are licensed under a cc-by 4.0 license.
6. All data are assigned a digital object identifier (DOI). Use of these data to support a published work must include a citation that includes the data DOI.
